

We are scheduling an ACCES meeting on December 5th after the LSP at CRP, 250 Harris, Sacramento. We will start about 2:45-3:00 PM depending on when the LSP ends and hopefully finish by 5:00 PM. I will send out a draft agenda soon. Please if you have any issues you would like to discuss send them to me.

Also we will need to have the election of Board members, President and Vice President. Ed Ocampo was elected at the last meeting for the Secretary/Treasurer position so this office is not up for reelection until December 2013.

If you have anyone you would like to nominate for these offices please send me their names so we can send them to the Executive/election committee. We will send out the slat of nominees before the meeting.

Thank you and let me know how many will be attending the meeting.
